

Dear Neighbor,

This is the time of year when the Lincoln Borough Volunteer Fire and Rescue Company needs to ask for your support. The Fire Company is a community organization completely comprised of volunteers that are always available to support our residents in the time of a fire emergency. Supporting us financially only makes sense. Please help us and donate through this fund drive, any amount would be greatly appreciated. Please also reach out to your neighbors and encourage them to help us too. We also have fund raisers throughout the year to help raise money, including our very popular Annual Car show in July, come join us and have fun.

If you want to follow the Fire Company we have a Facebook page and the Borough has an App called Savvy citizen to receive information.

In 2019 we created a K-9 Search & Rescue team. We currently have a team of 8 dogs that are available for search and rescue activities.

The Lincoln Borough Fire Company is an all-Volunteer organization and this year will be celebrating 74 years in existence. We provide fire protection, specialized rescue and assist the Emergency Medical Service for the residents of Lincoln and surrounding communities. Our volunteers receive extensive state certified training in

all aspects of firefighting, rescue and emergency services. We currently have 12 members certified to the National Firefighter 1 Certification. In 2022, your fire company responded to over 200 emergency incidents. Answering these calls and training require numerous man hours from our volunteer members. Donations also help with the maintenance of our buildings and equipment including our trucks.

We cannot guarantee that a fire, rescue, or medical emergency will never strike you, your home, or your loved ones. We can guarantee with your support both financially and in membership someone will be there when you call.

We rely heavily on the voluntary contributions of our neighbors to insure the availability of a fully equipped Fire Company. There are many options to donate. You may be able to donate through the United Way, via payroll deduction our agency number is 1596. For those who shop Amazon, go to Smile.Amazon.com and choose Lincoln Township Volunteer Fire Company and Relief Association as your favorite charity, the AmazonSmile Foundation will donate 0.5% of the price of eligible purchases. Or you can do it the old fashioned way and mail a check. No matter any form or amount of donation is appreciated and will put it to good use.

With your previous monetary help we were able to maintain our current I.S.O. (Insurance Service Organization) rating which affects your homeowner's insurance rates. The I.S.O. formulates and sets the standards for all insurance companies who write fire insurance in Pennsylvania. As always we are in need and welcome volunteers. If you are interested in joining the Fire Company, please call 412-751-6080.

**HELP US HELP YOU!
PLEASE MAIL YOUR DONATION TODAY**

Sincerely,
Officers and Members
